The Idaho Conservation League (“ICL”) petitions the Commission to intervene in this matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore should be granted intervention.

1. The name of this intervenor is:

Benjamin J. Otto

In the interest of conserving natural resources and reducing the costs, please provide hard copies of pleadings, testimony, and briefs only to the name and address above. Production requests, responses, notices, Commission orders, and other filings may be submitted via electronic mail in accordance with IDAPA 31.01.01.063.02-03.

2. The Idaho Conservation League claims a direct and substantial interest in this proceeding. As Idaho's largest state-based conservation organization, we have over 20,000 supporters, most of who are residential customers of Idaho Power. We have a substantial interest in maintaining a robust energy conservation program to avoid burning fossil fuels and the need for additional energy infrastructure both of which meet our supporters' desire to protect Idaho's air quality and natural landscapes. Over the years ICL has participated extensively in the Fixed Cost Adjustment because the mechanism is a critical regulatory policy to align Idaho Power's financial signals with Idaho's policy of pursuing all cost-effective energy efficiency. The annual rate adjustment covered by this application is an important part of maintaining a well functioning FCA mechanism. Due to this long-term involvement in restructuring the regulatory environment to promote energy efficiency in Idaho, ICL brings a unique and valuable perspective to this proceeding. ICL's intervention will not unduly broaden the issues in this proceeding.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependant upon the nature and effect of other evidence in this proceeding. ICL may seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 2nd day of April 2014.

Respectfully submitted,

Benjamin J. Otto
