Attorney for the Idaho Conservation League

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE)	
APPLICATION OF IDAHO POWER)	CASE NO. IPC-E-14-04
COMPANY FOR A DETERMINATION)	
OF 2013 DEMAND-SIDE)	THE IDAHO CONSERVATION
MANAGEMENT (“DSM”) EXPENSES)	LEAGUE
AS PRUDENTLY INCURRED.)	PETITION TO INTERVENE
)	

The Idaho Conservation League (“ICL”) petitions the Commission to intervene in this matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore should be granted intervention.

1. The name of this intervenor is:

Benjamin J. Otto
Idaho Conservation League
710 N. 6th st.
Boise, Idaho 83702
Ph: (208) 345-6933 x 12
Fax: (208) 344-0344
botto@idahoconservation.org

In the interest of conserving natural resources and reducing the costs, please provide hard copies of pleadings, testimony, and briefs only to the name and address above. Production requests, responses, notices, Commission orders, and other filings may be submitted via electronic mail in accordance with IDAPA 31.01.01.063.02-03.

2. The Idaho Conservation League claims a direct and substantial interest in this proceeding. As Idaho's largest state-based conservation organization, we have over 20,000 supporters, most of who are residential customers of Idaho Power. ICL also has an interest as a small commercial customer of Idaho Power taking service under schedule 7. ICL and our supporters have a substantial interest in maintaining a robust energy conservation program to avoid burning fossil fuels and the need for additional energy infrastructure both of which meet our supporters' desire to protect Idaho's air quality and natural landscapes. We have a direct and substantial interest in ensuring the \$25.9 million of ratepayer dollars spent on DSM activities in 2013 produced cost effective, verifiable energy savings and that Idaho Power continues to pursue all cost effective energy efficiency opportunities. Because this Commission has directed all utilities to pursue all cost effective efficiency and conservation measures, ICL's intervention will not unduly broaden the issues in this proceeding.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependant upon the nature and effect of other evidence in this proceeding. ICL may seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 2nd day of April 2014.

Respectfully submitted,

Benjamin J. Otto
Idaho Conservation League
