| |) | IDAHO CONSERVATION LEAGUE |

COMES NOW the Idaho Conservation League ("ICL") and hereby requests leave to intervene in the above captioned matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore the Commission should grant intervention.

1. The name of this intervenor is:

Idaho Conservation League
c/o Benjamin J. Otto
710 N. 6th st.
Boise, Idaho 83702
Ph: (208) 345-6933 x 12

Please provide copies of all pleadings, production requests, production responses, Commission orders, and other documents to the name and address above. In the interest of conserving natural resources and reducing the costs to all parties, please provide hard copies of pleadings, testimony, and briefs only. Production requests, responses, notices, Commission orders, and other filings may be submitted via electronic mail in accordance with IPUC Rules 31.01.01.063.02-03.

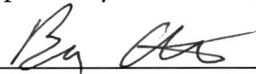

2. The Idaho Conservation League claims a direct and substantial interest in this proceeding. As Idaho's largest state-based conservation organization, we have over 20,000 supporters, most of who are residential customers of Idaho Power. ICL also has an interest as a small commercial customer of Idaho Power taking service under schedule 7. ICL and our supporters have a substantial interest in maintaining a robust energy conservation program to avoid burning fossil fuels and building additional energy infrastructure both of which meet our supporters' desire to protect Idaho's air quality and natural landscapes. To address this interest, ICL has long advocated for a robust Fixed Cost Adjustment as a necessary regulatory mechanism to support utility sponsored energy efficiency programs. ICL will not unduly broaden the issues in this proceeding.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependant upon the nature and effect of other evidence in this proceeding. If necessary ICL may introduce evidence, be heard in argument, and call, examine, and cross-examine witnesses. ICL intends to seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 15th day of July 2014.

Respectfully submitted,

Benjamin J. Otto
