

CERTIFICATE OF ATTORNEY

ASSERTION THAT MATERIALS REQUESTED AND PROVIDED DURING THE COURSE OF AN IDAHO PUBLIC UTILITIES COMMISSION PROCEEDING ARE PROTECTED FROM PUBLIC INSPECTION

Case No. IPC-E-15-26

The undersigned attorney, in accordance with RP 67, believes that Attachment 1 to Idaho Power Company's Application, titled *Asset Purchase and Transfer of Title Agreement* ("Agreement"), contains a dollar amount in section 13 that derives potential independent economic value from not being generally known or readily ascertainable, therefore constituting a trade secret exempt from public inspection, examination, or copying pursuant to *Idaho Code* § 74-101, *et seq.*, and § 48-801, *et seq.*

In addition to the trade secret information stated above, for reasons of national security, the United States Department of Justice Federal Bureau of Investigation ("FBI") requests the location and details of the assets be redacted from the Agreement. The FBI has security concerns (similar to those detailed in *Idaho Code* § 74-105(4)(b)) about the general public knowing the location of FBI-owned assets.

DATED this 9th day of December, 2015.

Lisa D. Nordstrom
Counsel for Idaho Power Company
