CASE NO. IPC-E-90-8

PETITION TO INTERVENE
R. Seltzer
IDAHO PUBLIC UTILITIES COMMISSION

COMES NOW, Idaho Consumer Affairs, Inc. (ICA), hereby requesting they be allowed to Intervene in this case in accordance with Rule 5 of the Commission's Rules of Practice & Procedure, and states as follows:

ICA is concerned that if this request is granted in whole or in part, that our members, being customers of Idaho Power Co., could experience an increase in their electrical service rates.

ICA has been granted Intervention status in prior proceedings held before this Commission in the past and feels it has the experience and knowledge to participate in this proceeding in an intelligent and orderly manner.

ICA desires to submit testimony, cross examine witnesses and otherwise participate in this hearing to the extent that its limited resources will allow;

Therefore, to not grant ICA Intervenor status could seriously impair ICA's ability to effectively represent its membership in this important matter.

ICA will be represented by Mr. Harold C. Miles, 316 Fifteenth Avenue South, Nampa, Idaho 83651, and ICA requests he be served with all documents filed with the Commission by Idaho Power Co as well as all other Intervenor Parties to this case.

Respectfully submitted,
IDAHO CONSUMER AFFAIRS, INC. (ICA)
