Dear Commissioners:

On March 19, 2015, five series of pollution control revenue bonds were remarketed after the termination of letters of credit that had supported the bonds and replacement of the remarketing agent for two of the series and substitution of letters of credit for three of the series. Provided on a non-confidential and a confidential CD, for informational purposes, PacifiCorp (the "Company") submits to the Commission a confidential original and a redacted copy for publishing of each of the following documents:

Converse 1994 Series and Lincoln 1994 Series – termination of letters of credit and new remarketing agent

1. Reoffering Circular dated March 11, 2015
2. Remarketing Agreement dated March 18, 2015

City of Forsyth 1988 Series, Sweetwater Series 1994 and Emery County 1994 – substitution of letters of credit

1. Reoffering Circular dated March 11, 2015
2. Reimbursement Agreements dated March 19, 2015

Because PacifiCorp has not issued any new securities in connection with the referenced transactions, no Report of Securities Issued is enclosed.

Under penalty of perjury, I declare that I know the contents of the enclosed documents, and they are true, correct and complete.
