Please describe your comment briefly:

Rocky Mountain Power is requesting recovery of power costs. I am against such a proposal. This company has received well above its needs in rate hikes this last year. They added a \$5.00 fee just because and now they want to be sure to receive more money in case we don't need or don't use energy provided by them. This is a whiny attitude and it is becoming annoying. Please consider the power user who is being asked for more money by everyone. Please turn down their application.

Thank you
Nancy Potter
