Re: In the Matter of the Application of PacifiCorp dba Rocky Mountain Power to Extend the 2017 Interjurisdictional Cost Allocation Protocol

Commission Secretary –

In its Notice of Application and Notice of Modified Procedure, the Commission allowed the Applicant until March 7, 2017 to file reply comments. Please be advised that last week, the attorney for the Applicant contacted me and advised that the Applicant would not be filing reply comments in the case. I thus considered this matter ready for deliberation and asked that it be identified as a fully submitted matter on the March 6, 2017 agenda. I'd appreciate you placing this note in the file to memorialize what occurred.

Thank you.
