Good morning Ms. Seaman,

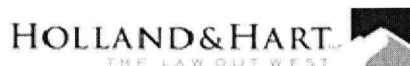

As discussed this morning, upon the approval by the Idaho Public Utilities Commission ("Commission") of Boomerang Wireless, LLC d/b/a enTouch Wireless' ("Boomerang") application for designation as an Eligible Telecommunications Carrier in Case No. BWL-T-16-01, Boomerang agrees to participate in the appropriate Idaho programs for wireless companies and to pay the surcharges as required by the Commission. As we understand it from our discussion this morning, that is the Idaho USF/Lifeline program and the 9-1-1 program.

Please let me know if there are any additional programs that would need to be considered. Should you have any questions or concerns, do not hesitate to let us know.

Best regards,

Emanuel T. Cocian
