**Application for Commission Determination of Qualified Broadband Equipment for the Year 2005**

Pursuant to Commission Order No. 28784, in Case No. GNR-T-01-10, Citizens Telecommunications Company of Idaho submits the following information as an application for Commission determination that the subject installed broadband equipment qualifies for investment tax credit under Idaho Code § 63-30291.

Name and address of applicant:

Citizens Telecommunications Company of Idaho  
201 Lenora Street  
McCall, ID 83638

Citizens Telecommunications Company of Idaho is a telecommunications carrier.

Questions and notification of action regarding this application should be addressed to:

Ingo Henningsen  
Manager, Government & External Affairs  
P.O. Box 708970  
Sandy, Utah 84070-8970  
(801) 274-3127

Area where equipment is installed in Idaho: McCall, Cascade, Donnelly, Homedale, New Meadows, Riggins, Garden Valley, Wilder, and Parma.

Type of broadband service offered to the public: Asymmetrical Digital Subscriber Line (ADSL)

Network transmission rate: Up to 512Kbps send and 3 Mbps receive

Specific Equipment: See Attachment No.1

Installation dates: January 2005 – December 2005

Number and Percentage of customers: Broadband is now available to approximately 18,500 Frontier's Idaho customers. This is over 87% of the total customer base.

**Certification Statement**

I certify that I, Ingo Henningsen, have read the applicable statutes for broadband investment income tax credit and I believe that the subject broadband equipment qualifies for the tax credit under *Idaho Code* § 63-3029I.

Date: July 10, 2007
