**IN THE MATTER OF REVOKING IPVOICE )  
COMMUNICATIONS, INC. AUTHORITY TO ) CASE NO. GNR-T-03-5  
PROVIDE LOCAL EXCHANGE )  
TELECOMMUNICATIONS SERVICES. ) MINUTE ORDER  
\_\_\_\_\_ )**

On July 5, 2000, IPVoice Communications, Inc. ("IPVoice") filed an Application for a CPCN to provide local exchange service within the State of Idaho. The Company's Application stated that IPVoice was organized to provide resold and facilities-based local exchange and interexchange services throughout the service areas of Qwest North, Qwest South and Verizon. The Commission granted the Application and found that a Certificate should be issued subject to IPVoice Communications, Inc. providing evidence of establishment of a \$50,000 bond. *See* Order No. 28600.

IPVoice has failed to provide evidence of establishment of the required bond. Furthermore, IPVoice's Certificate of Authority to transact business in this State as a foreign corporation was administratively revoked by the Secretary of State's Office on August 6, 2001. In addition, on January 24, 2003, the Company advised the Commission Staff that:

On behalf of IPVoice Communications, Inc. I would like to cancel the Certificate ordered in 2000 by the old management team of IPVoice.com. If I can offer any further assistance I can be reached at 972.386.3372 x254.

**COMMISSION DECISION**

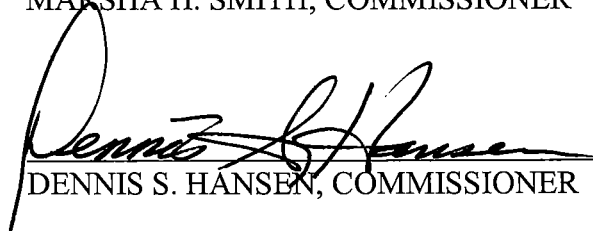

A CPCN is subject to and contingent upon statutory conditions, regulations and restrictions. See Order No. 26665. The nature of the grant is such that it is always subject to review. The grant of a CPCN entails a reciprocal acceptance of responsibility and duties by the regulated utility. Failure to perform those duties makes it fair, just and reasonable for the Commission to revoke its privilege to provide service. Breach of condition whether express or implied upon which the grant depends is grounds for termination or rescission.

Because IPVoice Communications, Inc., has failed to meet the conditions proscribed by the Commission to receive a CPCN, has had its Certificate of Authority to transact business in this State revoked and does not desire to obtain a CPCN, any authority previously given by the Commission to IPVoice in Order No. 28600, Case No. GNR-T-00-20, to provide local exchange services is revoked. The Commission also finds that IPVoice's illustrative price list(s) and tariff(s) shall be removed from the Commission's active files.

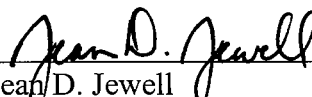

DATED at Boise, Idaho this 28<sup>th</sup> day of January 2003.
