¹ 47 C.F.R. § 54.313(a) ("Certification. States that desire eligible telecommunications carriers to receive support pursuant to the high-cost program must file annual certifications with the Administrator and the Commission stating that all federal high-cost support provided to such carriers within that State was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended. High-cost support shall only be provided to the extent that the State has filed the required certification pursuant to this section.")
