RE: Immediate Withdrawal of Application for New Cingular Wireless, LLC Requesting Conditional ETC Status in Case No. NCW-T-13-01

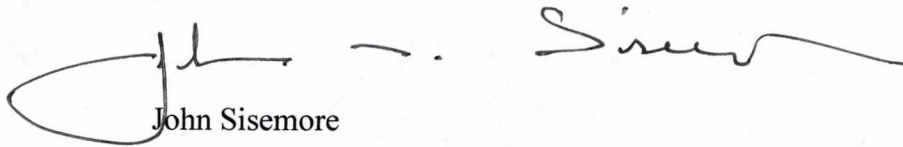

Dear Ms. Jewell:

On April 24, 2013, New Cingular Wireless PCS, LLC ("AT&T Mobility" or "Company") filed an Application, pursuant to 47 U.S.C. § 214(e)(2), for conditional designation as an eligible telecommunications carrier ("ETC") in certain areas of Idaho so that it could participate in the Federal Communications Commission's ("FCC") Mobility Fund Phase I ("MFI") program.

Developments since the Application was submitted prompt AT&T Mobility to withdraw the Application in Case No. NCW-T-13-01 immediately and without prejudice.

Please contact me on (210) 545-3519 should there be any other actions needed of AT&T or if you have any questions regarding this request.

Sincerely,

John Sisemore
