Re: Application for Determination of Qualified Broadband Equipment (2005)

Dear Mr. Hart:

Pursuant to Commission Order No. 28784, in Case No. GNR-T-01-10, Qwest Corporation ("Qwest") hereby submits the following information in support of its request that the Idaho Public Utilities Commission ("PUC") determine that the machinery and equipment listed in Tab A constitutes "qualified broadband equipment" as defined in Idaho Code Sec. 63-3029I.

1. 2005 Qualified investment, reported by general broadband, dedicated line and inter-office facilities (Tab A)
2. 2005 retirements of 2001, 2002, 2003 and 2004 investment, along with an explanation of how the retirements were calculated (Tab B)
3. Explanation of how we differentiate 2005 from 2004, 2003, 2002 and 2001 investment and insure that no equipment is reported more than once (Tab C)
4. Capitalization policy (Tab D)
5. Certification Statement (Tab E)

Total Investment for 2005, net of retirements is as follows:

General Broadband Services	\$6,155,944
Dedicated Line Services	1,398,621
Inter-Office Facilities	<u>711,817</u>
Total 2005 Investment	\$8,266,382
Retirements of 2001 Investment	47,682
Retirements of 2002 Investment	77,090
Retirements of 2003 Investment	106,077
Retirements of 2004 Investment	<u>18,333</u>
2005 Net Investment	\$8,017,200

I am enclosing four copies, two in binders and two unbound copies. I am also enclosing a disk with the investment data information. Please contact me on 303-308-5610 if you have questions or require additional information regarding this submission.

Sincerely,
