BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

**IN THE MATTER OF QWEST
CORPORATION'S REVISIONS TO ITS
STATEMENT OF GENERALLY
AVAILABLE TERMS AND CONDITIONS
(SGAT) PURSUANT TO 47 U.S.C. § 252(f)**

**CASE NO. QWE-T-03-24
REVISED EXHIBIT "A"**

Qwest Corporation ("Qwest"), by and through its undersigned attorneys, files the attached Third Revision, Sixth Amended Exhibit A dated February 11, 2005 ("Sixth Amended Exhibit A"). The Sixth Amended Exhibit A reflects the prices for unbundled network elements (UNEs) ordered by the Commission in Case No. QWE-T-01-11 and is otherwise identical to the version of Exhibit A now in effect, with the exception of a small number of minor changes discussed below and shown on the "redline" version of the Sixth Amended Exhibit A, which is provided herewith for the convenience of the Commission.

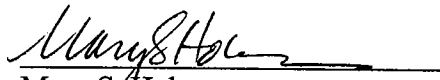

Among the changes reflected in the Sixth Amended Exhibit A are changes to the footnotes. Note [1] was revised to simply to clarify the cost docket process that preceded some

of the existing prices. Note [8] explains that the charges for loop unloading and conditioning found in section 9.2.2.4 and 9.2.2.5 were re-instated although, because of difficulties with billing the rates as structured, Qwest will simply bill customers the lowest rate. The Commission should also be aware that in addition to the change to the note in the Sixth Amended Exhibit A, CLECs are being notified of this change in a separate process.

The remaining changes in the Sixth Amended Exhibit A are all in the form of clarifications and do not affect the prices or availability of the elements listed. For example, for twelve of the elements listed on Exhibit A the phrase "Recurring Fixed & per Mile" has been added to the headings to better explain the price elements. The other changes, all of which are depicted on the redline version, are of a similar nature.

Qwest respectfully requests that the Commission accept the attached Sixth Amended Exhibit A and allow it to go into effect in the normal course.

Dated this 11th day of February, 2005.
