On December 28, 2012, Zayo Group, LLC and 360networks (USA) inc., requested that 360networks' Certificate of Public Convenience and Necessity (CPCN) No. 453 issued by the Commission on December 7, 2005, be cancelled.

Zayo and 360networks stated that pro forma intra-company mergers will result in the assets and customers of 360networks moving to Zayo Group, LLC. The parties stated that these changes are part of a series of intra-company transactions that will simplify the corporate structure of Zayo and align the portions of the business with 360networks more closely with the business structure of Zayo and Onvoy. Staff reviewed the request and believes the Company's goal to simplify the corporate structure will benefit its customers. In its Decision Meeting on February 25, 2013, the Commission approved 360networks' request for cancellation of Certificate No. 453.

**COMMISSION FINDINGS**

In September 2005, 360networks (USA) inc. filed an Application for a CPCN to provide facilities-based competitive local exchange telecommunications services to commercial subscribers and exchange access services to interconnecting carriers in Qwest and Verizon exchanges. In December 2005, the Commission granted 360networks' Application for a CPCN. Order No. 29925.

On December 28, 2012, Zayo and 360networks requested the Commission cancel 360networks' Certificate and stated 360networks merged with Zayo Group, LLC. Staff recommended the Commission cancel Certificate No. 453 and remove the Company's price list or tariff on file.
