

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE APPLICATION)
OF MAYFIELD SPRINGS WATER) **CASE NO. MSW-W-08-01**
COMPANY, INC. FOR A CERTIFICATE)
OF PUBLIC CONVENIENCE AND) **ORDER NO. 30609**
NECESSITY.)

On February 5, 2008, Mayfield Springs Water Company filed an Application requesting a Certificate of Public Convenience and Necessity to provide water service near Kuna. On March 3, 2008, the Commission issued Order No. 30512 setting interim rates and charges for the Company.

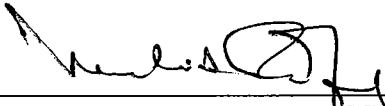

On April 25, 2008, the Company filed an Amended Application. The Amended Application proposed higher rates than the Commission approved in Order No. 30512 and requested an effective date of August 1, 2008.

Given the demands upon the Commission's time, the Commission will be unable to consider and issue an Order before the proposed effective date of August 1, 2008. Consistent with the Commission's authority under *Idaho Code* § 61-623, the Commission finds that it is reasonable to suspend this matter for a period of thirty (30) days from August 1, 2008. The suspension will allow the Commission sufficient time to consider the matter and issue its Order.

ORDER

IT IS HEREBY ORDERED that the proposed rates and charges contained in the Company's Amended Application shall be suspended for a period of thirty (30) days from August 1, 2008 or until such time as the Commission may enter an Order suspending, rejecting, or modifying the Application and Amended Application in this matter.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 30th
day of July 2008.
