I am putting in a
Complaint About Terra Grande
Water Co. Mrs. Child, The owner,
Charges everyone on Penninger St. the
same price. some people, like my
neighbor next door, Lynn Wisenor,
has a swimming pool, garden, and
big yard. No one uses odd/even
days - Mrs. Wisenor + some of the
other people living on Penninger,
run their water 24 hrs a day,
7 days a wk. I want her ^{Mrs. Child} to hook
up these meters to charge everyone for
how much water they use. Thank you
