RE: CASE NO. TTS-W-08-1
COMPLIANCE FILING – INTERIM TARIFF

As part of the Idaho Public Utilities Commission Order No. 30571 issued on June 12, 2008, the Commission directed Teton Springs Water and Sewer Company, LLC to provide continued culinary water service at the Company's existing flat rate and directed the Company to file a tariff schedule setting forth the Commission-approved rates.

Staff reviewed the interim tariff submitted by the Company on June 18, 2008, to ensure that the language and rates reflect Commission directives as stated in Order No. 30571. The interim tariff includes Rate Schedule No. 1, Flat Rate Service (see attachment). Staff confirms that the language and rates comport with Commission Order No. 30571. Staff recommends approval of the interim tariff.

COMMISSION DECISION

Does the Commission wish to approve the interim tariff as submitted on June 18, 2008?
