 PROPOSED CHANGE IN SCHEDULING**

On May 20, 2008, Teton Springs Water & Sewer Company, LLC (Teton Springs; Company) filed an Application with the Idaho Public Utilities Commission (Commission) requesting a Certificate of Convenience and Necessity to provide domestic, culinary water service in Teton County, Idaho to customers within the Teton Springs Golf and Casting Club planned unit development. The Company also requested that the Commission approve a change in existing rates and charges for water service and approve the Company's proposed Rules and Regulations Governing the Rendering of Water Service.
