**RE: COMPLIANCE FILING – TETON SPRINGS WATER AND SEWER
 COMPANY TARIFF; CASE NO. TTS-W-08-01**

As part of the Idaho Public Utilities Commission Order No. 30718 issued on January 21, 2009, the Commission directed Teton Springs Water and Sewer Company (Teton Springs) to file a conforming and consolidated tariff setting forth the Commission-approved recurring rates and non-recurring charges and fees. The Commission also issued Order No. 30736 on February 27, 2009 clarifying Order No. 30718 regarding the applicable rate to be charged tenants of multi-family units. The rates and charges authorized by Order No. 30718 became effective for service rendered on or after February 1, 2009.

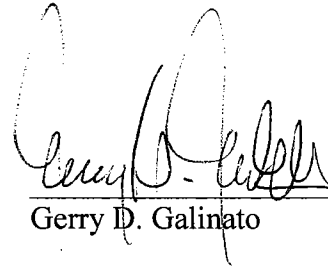

On June 29, 2009, the Company filed a compliance tariff and rules and regulations. Staff reviewed the tariff to ensure that the language and rates reflect Commission directives as stated in Order No. 30718 and the clarifying Order No. 30736. Staff confirms that the language and rates comport with Commission Order Nos. 30718 and 30736. Staff prepared and provided the Company an electronic copy of the tariff ready for signature on February 11, 2009; Teton Springs submitted the tariff to the Commission on June 29, 2009. The tariff includes Rate Schedule No. 1, Rate Schedule 1A, Rate Schedule No. 2 - Non-Recurring Fees and Charges, and General Rules and Regulations for Teton Springs Water and Sewer Company.

STAFF RECOMMENDATION
