NEWS RELEASE: Veolia Water Idaho and City of Eagle apply to transfer service for some customers to city.

BOISE (March 5, 2024) – The City of Eagle and Veolia Water Idaho have applied to the Idaho Public Utilities Commission to transfer utility service and some assets that serve the Eagle Skate Park, a subdivision and a church from Veolia Water to the city.

The skate park is part of the Eagle Sports Complex. The city and Veolia Water said that due to the proximity of city-owned water infrastructure, both agreed it is in the public interest that city-owned facilities within the sports complex be served by the city's municipal water system. In addition, the Bighorn Subdivision, a church and two connections from a 12" mainline will be transferred from Veolia Water to the city if the application is approved.

The commission is accepting written comments on the application until April 10, 2024. Comments are required to be filed through the commission's website or by e-mail unless computer access is not available. To submit comments using the commission website, please visit puc.idaho.gov and click on the "Case Comment Form" link on the upper left side of the page. Please use case number VEO-W-23-05 when filling out the form. If using e-mail, comments are required to be sent to the commission secretary, Veolia and the city at the e-mail addresses listed below and include the commenter's name, address and case number VEO-W-23-05. If computer access is not available, comments can be mailed to the commission, Veolia Water and the city at the addresses listed below. Those submitting comments through mail are required to include their name, address and case number VEO-W-23-05.
