Rate Schedule Information

Most Resort Water Company customers are billed under the following flat rate schedule. However, some customers may be billed under other specific tariffs. Please call the Resort Water Company if there are any questions about the rate used for your billing.

General Flat Rate Service

Resort Water Company bills each current customer each month. The bill is a flat rate of \$44.80 per Equivalent Residential Unit (ERU).

Miscellaneous Charges

Resort Water Company believes that the cost of providing special services should be borne by those customers responsible for incurring the costs. The handling of returned checks, accounts that are disconnected for non-payment and after hour service are some examples of special services. These miscellaneous charges are as follows:

- Returned checks will be assessed a \$15.00 handling fee.
- Reconnection of service due to termination for non-payment if the service is interrupted for less than 30 days is \$20.00 during normal business hours and \$60.00 if after hours.
- Reconnection of service due to any reason if the service is interrupted for greater than 30 days can be
 calculated based on the tariff charged for four months during normal business hours and can be calculated
 based on the tariff charged for four months plus \$60.00 if after business hours.
- Field collection trip charge is \$15.00

In most cases, these fees must be paid prior to service being granted or restored.

Deposits/Payment Guarantees

The IPUC service rules allow utilities to ask for deposits or payment guarantees under specific conditions. At this time, Resort Water Company does not require deposits or payment guarantees.

Rules for Termination of Service

Termination without Prior Notice

Resort Water Company may deny or terminate water service without prior notice for one of the following reasons:

- To prevent a violation of federal, state or local safety or health codes;
- 3. Service is obtained, diverted or used without the authorization of Resort Water Company;

- 2. At least twenty-four (24) hours before the service is terminated, another attempt shall be made to contact the customer in person or by telephone.
- If service is terminated, a notice will be left at the property advising the customer of the necessary steps to have service restored.

Only a twenty-four (24) hour notice is required if:

- The initial payment of a payment arrangement is not made or the initial payment is made with a check not honored by the bank;
- 5. Payment is made by check to a company representative at the premises to prevent termination and the check is not honored by the bank.

If the customer cannot pay the billing and a member of the household is seriously ill or there is a medical emergency, Resort Water will postpone termination of service for thirty (30) days. A written certificate is required from a licensed physician or public health official stating the name of the person who is ill and the name, title, and signature of the person certifying the serious illness or medical emergency.

Restriction on Termination of Service

Service cannot be terminated if:

- 1. The past due billing is less than \$50.00 or two (2) months of service, whichever is less;
- 2. The unpaid billing is for service to another customer;
- 3. The billing is for charges other than water service.

Service cannot be disconnected on Friday after 2:00pm, on Saturday, Sunday, legal holidays recognized by the state of Idaho, or after 2:00 pm on any day immediately preceding any legal holiday. Service may be terminated only between the hours of 8:00 am and 4:00 pm.

The employee sent to the premises to terminate service will identify himself/herself to the customer and state the purpose of the visit. This employee is authorized to accept payment in full on the account.

If service is terminated for any one of the conditions listed, Resort Water has employees available for reconnection as soon as the situation is corrected.

Complaint Procedure

If at any time there is a complaint concerning termination of service, policies and practices, or any other matter regarding our service, please contact Resort Water in person, by telephone or in writing. The complaint will be investigated promptly and thoroughly. The customer will be notified orally or in writing of the results of the investigation, and we will make every effort to resolve the complaint.

If the customer is dissatisfied with the proposed resolution of the complaint, the IPUC may be asked to review the matter. The service will not be disconnected while the complaint is being investigated by the utility or the IPUC.
